#### 10.5 **God's Existence: The Argument From Design**

**Word:** Fine-tuning of the universe

**Meaning:** The idea that the conditions that allow life in the universe can only occur when certain universal fundamental physical constants lie within a very narrow range, so that if any of several fundamental constants were only slightly different, life would not be possible in the universe.

**Word:** Multiverse

**Meaning:** The multiverse is the hypothetical set of finite and infinite possible universes, including the universe in which we live.

**Word:** Cosmology

**Meaning:** The science of the origin and development of the universe.

**Word:** Teleological Argument

**Meaning:** Another term for the argument from design
